To Withdraw Notice of Abandonment**Commissioner of Patent
and Trademarks
Alexandria, VA 22314-1450

Sir:

Applicants recently received a Notice of Abandonment in the referenced application for failure to timely file corrected drawings. The Notice was mailed June 7, 2006. Upon checking with the Office of Publications on June 12, 2006, however, applicants' counsel learned that corrected drawings filed October 7, 2005, were, in fact, already received by the Office. A USPTO-stamp cover sheet (see upper left-hand corner) serves as "proof of filing" and is attached hereto along with the attached 17 sheets of formal replacement drawings.

Accordingly, applicants request withdrawal of the Notice of Abandonment.

Respectfully submitted,
